

SHARI RICHARD OF SOUND WAVE IMAGES PRESENTS

THE IMAGING NETWORK DIAGNOSTIC ULTRASOUND PROGRAM

A 3 DAY ULTRASOUND COURSE TAILORED FOR MEDICAL PROFESSIONALS WORKING WITH PREGNANCY CARE CENTERS

"What Shari has done here is crucial. How would I take the next step? Know what to do? What we learned this week has given us a foundation to build on. I recommend this course to the directors and medical staff as the very first step for providing ultrasound."

Rod Murphy Director of Problem PCC Of Worchester

"Do I understand everything? No. But I feel I have the basic tools and understanding to go from here and learn more. I feel that God has used this course in my life to enhance my life and ministry for the center."

Cheri Pinkham, RN First Choice Women's Resource Center, Montclair, N.J.

"Shari's Imaging Network Ultrasound and DVD presentation was dynamic. Comments from our medical staff are "excellent, touching, incredible, factual, moving." Shari is very personal and knowledgeable in OB ultrasound."

John R. Crouch, JR., MD

COURSE INFORMATION

This 3 day ultrasound course is tailored specially to train health care providers of Pregnancy Care Centers PCC's) on providing limited ultrasound exams to determine viability or threatened miscarriage within the 1st trimester of pregnancy. This short-term program is intended to serve as a general introduction to 1st trimester OB/GYN sonography, physics and procedure guidelines for limited ultrasound. The staff and associates of Sound Wave Images are skilled sonographers and educators who have adapted the educational objectives to meet AWHONN, AGOG and AIUM guidelines for performing limited ultrasound. An even balance of didactic and clinical practice teaches students to systematically evaluate clients by correlating clinical history and sonographic appearance for the development of interpretive skills. The art of scanning requires cultivation and time to be perfected. One should not expect proficiency upon completion of this course. Medical staff must have continual clinical training with a professional skilled in ultrasound until they are deemed competent. Competency will require at least 50 supervised or reviewed scans and a letter of competency from the medical director is given. Due to the intensity of the course all pre-registered students will receive in advance of the course The Imaging Network 1st Trimester OB Manual. All students are expected to review basic embryology and 1st trimester OB from the manual and other reference materials.

Board and Directors may take the Ultrasound Part I & II sections of the course that will provide information on legalities, procedures and regulations regarding the use of ultrasound at no fee. Each PCC will receive The Imaging Network Manual/ Video/Audio DVD series. This manual will be sent upon registration and should be reviewed prior to the class so that your questions and needs can be addressed. The following information will provide you additional information regarding the course, schedule, travel, accommodations, class objectives and a list of references from previous registrations.

To reserve a space for this course contact SWI at 1-800-364-4942 or the Hosting Center. In order to provide adequate scanning time, class size will be limited to 10 applicants and registrations will be accepted on 1st come serve bases.

THE IMAGING NETWORK VIDEO/DVD, AUDIO AND MANUAL:

This is an instructional package designed to guide physicians, medical personnel, directors and counselors on how to establish and maintain a professional and effective limited ultrasound service for a Pregnancy Care Center. **The Heart of the Mission** will give you a flavor of the fun and intensity of the week. The Manual and video series will be given as part of the educational package for the training.

Complete set with Manual/DVD presentation: \$ 100
2-hour Audio and DVD packet only: \$ 50

WHAT PEOPLE ARE SAYING ABOUT SHARI'S

ULTRASOUND VIDEOS

"The quality of the ultrasound images that you show are the best I have ever seen. The images and information contained in the video are accurate and objective."

—Alexander F. Metherell, M.D., Ph.D. Radiologist

"I recommend Shari's videos for every school as an excellent educational tool to show the humanity of the unborn."

—Cardinal James Kickey, Archbishop of Washington D.C.

"Shari's video has turned literally hundreds of women choosing abortion. It is the most powerful and effective video used in our center."

—Eleanor Ruder, Director PCC

SPEAKING PRESENTATIONS

"Her personal testimony of two abortions adds to her credibility and shows her deep compassion for women."

—H.S. Teacher

"Our supporters at our banquet were so touched by Shari's presentation and ultrasound that they caught the vision of becoming medical and a donor provided us with a new ultrasound machine."

—Mary Gaseway, Director of Pregnancy Center of Lodi

ULTRASOUND WORKSHOPS

"Shari is very dedicated, knowledgeable and skilled at implementing our ultrasound program. Hundreds of babies are alive today because of her work in S.E. Michigan."

—Dr. John Barkay, DO, PC

"Shari was a dynamic speaker for our residents' course receiving high evaluation ratings. Comments included 'One of the best I have ever heard,' 'excellent, touching, motivational,' 'wonderful, incredible,' 'lots of new insight gained.' She has always been one of the top rated speakers because of her commitment, knowledge and personal testimony."

—John R. Crouch, Jr., M.D.

IUD INSTITUTE OF ULTRASOUND DIAGNOSTICS

"I have never been associated with people with such sincere dedication and pure joy for their profession."

—Charles Mudge, RT., DMS,
Blairsville, Georgia & Murphy, North Carolina

"The Institute of Ultrasound Diagnostics gave Aron a good fundamental background on which to build his ultrasound center. He returned to our hospital well prepared to work with us toward his becoming an important part of the diagnostic team."

—Janice L. McGinnis, B.S., RDMS, RDCS,
Ultrasound Supervisor, Coos Bay, Oregon

"Shari is THE national expert on ultrasound with abortion vulnerable women. Her expertise and videos are invaluable. As a speaker, she is dynamic and inspirational!"
